LONG TERM CARE INSURANCE OUTLINE OF COVERAGE

Policy Form Numbers: ICC16-NLTC100P or ICC18-NLTC100P-E

Notice To Buyer: This policy may not cover all of the costs associated with long-term care incurred by the buyer during the period of coverage. The buyer is advised to review carefully all policy limitations.

Caution: The issuance of this long-term care insurance policy is based upon Your responses to the questions on Your application. A copy of Your application will be attached to any issued policy. If Your answers are incorrect or untrue, the Company has the right to deny benefits or rescind this policy. The best time to clear up any questions is now, before a claim arises! If, for any reason, any of Your answers are incorrect, contact the Company at this address: National Guardian Life Insurance Company, Long Term Care Administrative Office, Post Office Box 4243, Woodland Hills, CA 91365-4243.

1. This policy is an individual policy of insurance.

2. PURPOSE OF OUTLINE OF COVERAGE

This outline of coverage provides a very brief description of the important features of this policy. You should compare this outline of coverage to outlines of coverage for other policies available to You. This is not an insurance contract, but only a summary of coverage. Only the individual policy contains governing contractual provisions. This means that this policy sets forth in detail the rights and obligations of both You and the insurance company. Therefore, if You purchase this coverage, or any other coverage, it is important that You READ YOUR POLICY CAREFULLY!

3. FEDERAL TAX CONSEQUENCES

This POLICY is intended to be a federally tax-qualified long-term care insurance contract under Section 7702B(b) of the Internal Revenue Code of 1986, as amended.

4. TERMS UNDER WHICH THIS POLICY MAY BE CONTINUED IN FORCE OR DISCONTINUED

(a) **RENEWABILITY: THIS POLICY IS GUARANTEED RENEWABLE.** This means You have the right, subject to the terms of this policy, to continue this policy as long as You pay Your premiums on time. National Guardian Life Insurance Company cannot change any of the terms of this policy on its own, except that, in the future, IT MAY INCREASE THE PREMIUM YOU PAY.

(b) Waiver of Premium

We will waive the payment of future premiums that become due for the policy and any attached riders once We begin paying benefits for Facility Care Services (either insured under joint coverage), and for as long as We continue to pay benefits for Facility Care Services under the terms of this policy. The premium will be waived based on the premium mode in effect at the time We begin paying benefits for Facility Care Services. Premium payments will again become payable on the next renewal date after Your confinement for Facility Care Services ends or when You are no longer receiving benefits for Facility Care Services.

For an additional premium, an optional Waiver of Premium Rider is available which extends the waiver of premium benefit to Home and Community Care Services (if selected by You and shown on Your Policy Schedule). This rider is described below.

5. TERMS UNDER WHICH THE COMPANY MAY CHANGE PREMIUMS

The Company has a right to change the premium. We can only change the premium for this policy if We change premiums for everyone in Your state with the same policy form. We will give You at least 60 days written notice at Your last address shown in Our records before We change Your premium.

6. TERMS UNDER WHICH THIS POLICY MAY BE RETURNED AND PREMIUM REFUNDED

- (a) If You are not satisfied with this policy, You have 30 days to return it to Us or any authorized agent or agency for a full refund of any premium You have paid. We will then refund any premium paid directly to the payer within 30 days of the date You return this policy.
- (b) Upon Your death (last of Your deaths under joint coverage), We will refund any unearned premium for this policy on a pro rata basis. We will make this refund within 30 days of Our receipt of proof of Your death. If You cancel this policy after 30 days, any unearned premium will be refunded to You on a pro rata basis. If You purchase an optional Full Return of Premium Rider, all of the premiums paid for this policy and attached riders will be returned to Your Beneficiary upon Your death (last of Your deaths under joint coverage). If instead You purchase an optional Limited Return of Premium Rider, all of the premiums paid for this policy and attached riders, reduced by the total of benefits received, will be returned to Your Beneficiary upon Your death (last of Your deaths under joint coverage).

7. THIS IS NOT MEDICARE SUPPLEMENT COVERAGE

If You are eligible for Medicare, review the *Guide to Health Insurance for People with Medicare* available from the insurance company. Neither National Guardian Life Insurance Company nor its agents represent Medicare, the federal government or any state government.

8. LONG TERM CARE COVERAGE

Policies of this category are designed to provide coverage for one or more necessary diagnostic, preventive, therapeutic, rehabilitative, Maintenance or Personal Care Services, provided in a setting other than an acute care unit of a hospital, such as in a nursing home, in the community or in the home.

This policy provides coverage for Qualified Long Term Care Services in the form of an expense incurred benefit for covered long term care expenses, subject to policy Elimination Periods, Limitations and Exclusions described below.

9. BENEFITS PROVIDED BY THIS POLICY

(a) Covered Services

This policy provides benefits for Qualified Long Term Care Services performed in a nursing facility or an assisted living facility and Maintenance or Personal Care Services performed in an assisted living facility. Benefits are also provided for Facility Bed Reservation and Respite Care Services. In addition, You may select coverage under this policy for Home and Community Care Services, including benefits for home health care, adult day care, hospice services and Caregiver Training. An Emergency Response System benefit is also available when Home and Community Care Services are selected.

(b) Elimination Period

This is the number of days You must satisfy the conditions on Eligibility for Payment of Benefits and receive either Facility Care Services or Home and Community Care Services (if covered under this policy) before We will begin paying benefits. You may choose an Elimination Period of 0, 30, 90 or 180 days. Once You have satisfied the Elimination Period, no future Elimination Period is required. Days may be accumulated under separate claims in order to satisfy the Elimination Period. The Elimination Period applies to each insured individually under joint coverage.

For an additional premium, an optional First Day Home and Community Care Services Rider is available. This rider will waive any Elimination Period required for Home and Community Care Services (if selected by You and shown on Your Policy Schedule). This rider is described below.

(c) Benefit Amount

The Benefit Amount is determined by multiplying the Daily Benefit selected by the Benefit Period selected - 2 Years (730 days) or 3 Years (1,095 days). By purchasing the optional Benefit Period Extension Rider, the 3 Year Benefit Period can be extended to 4 Years (1,460 days) or 5 Years (1,825 days) or 6 Years (2,190 days) or to Lifetime coverage. The result will be Your Benefit Amount for all benefits payable under this policy. Under joint coverage, this policy provides for a separate Benefit Amount for each insured. For an additional premium payment, a Shared Benefit Amount Rider is also available, as described below.

(d) Coverage Outside the United States

Benefits are payable for Qualified Long Term Care Services received outside the United States or its territories, or Canada for up to 30 days per calendar year. The benefit payable under this policy will be the actual daily charges You incur for covered services, up to the Daily Benefit You select. Benefits paid are subtracted from the Benefit Amount.

(e) Facility Care Services Benefit

Benefits are payable for Qualified Long Term Care Services (including skilled, intermediate or custodial nursing care) provided to You in a nursing facility or assisted living facility and Maintenance or Personal Care Services performed in an assisted living facility. The benefit payable under this policy will be the actual daily Facility Care Services charges You incur, up to the Daily Benefit You select. You may choose a Daily Benefit of up to \$300 per day. Premium rates will vary according to the Daily Benefit You select. Benefits paid are subtracted from the Benefit Amount.

(f) Facility Bed Reservation Benefit

This benefit is payable if You are receiving Facility Care Services benefits under this policy, You incur a temporary absence from the facility and are charged by the nursing facility or assisted living facility to reserve Your accommodations. For purposes of satisfying the Elimination Period, days on which You satisfy the conditions on Eligibility for Payment of Benefits, but coverage is excluded due to the Non-Duplication of Benefits provision, will count toward satisfaction of the Elimination Period.

If You choose not to select the following optional nonforfeiture rider, a contingent benefit upon lapse will be available if: (a) this policy lapses as described under the Grace Period and Unintentional Lapse provisions of this policy; and (b) the premium rates for this policy are substantially increased. The benefit provided will be in the form of a Shortened Benefit Period as described below.

In addition to the contingent nonforfeiture benefit described above, if You select a limited premium payment option an additional contingent nonforfeiture benefit may also be available in the form of a reduced "paid-up" policy.
